GIVE YOURSELF even greater peace of mind

When you buy a new vehicle, you have the right to peace of mind.

Purchasing a Genuine Nissan Extended Warranty will help you maintain that sense of security for years to come. This warranty provides your vehicle with cover for parts, repairs and other expenses similar* to the cover provided by your original Nissan New Vehicle Warranty.

There are two options to choose from:

Extratime

A time only extension – 12, 24 or 36 months – which provides coverage for the selected warranty period or otherwise expires when the vehicle has travelled 100,000 kilometres since new, whichever occurs first.

Extradrive New

A time – 12, 24 or 36 months – and distance extension which provides coverage for the selected warranty period or otherwise expires when the vehicle has travelled a total distance of 150,000 kilometres since new, whichever occurs first.

These options may only be purchased during the New Vehicle Warranty period.

THE BENEFITS to you

We will repair or replace all covered parts (plus all labour costs) – similar* cover to that provided by the Nissan New Vehicle Warranty.

24 Hour Roadside Assistance

With associated benefits including:*

Basic Assistance Cover

For keys locked in your vehicle, a flat tyre or battery, or running out of fuel. We will even provide up to 5 litres of emergency fuel free. Replacement batteries are supplied at your cost.

Breakdown Assistance

Should your vehicle break down or cannot be driven safely, (in either case, other than as a result of theft or accident), with your permission, we will arrange towing to the nearest authorised Nissan dealer or authorised repairer. If you've lost your keys, we will replace them at your cost.

Special Assistance

We will help arrange alternative transport and accommodation if your vehicle is stolen or involved in an accident.

We will also help locate medical facilities and emergency accommodation if you or one of your passengers becomes ill or injured and is unable to continue the journey.
