Even before you chuck anything in the back, you'll find the new ST grade Navara 4x4 Dual Cab is loaded up with features.

A 126kW turbo diesel gives you the power and torque you need to get the job done. Not to mention, plenty of get up and go for the weekend. A 3,000kg braked towing capacity will help you get just about anything just about anywhere. While the two channel Utili-Track load restraint system prevents whatever you put in the tray from sliding around.

Of course, the Navara doesn't skimp on creature comforts either. There's Bluetooth® handsfree phone integration with controls on the steering wheel, a 6-stack CD player, cruise control and steering wheel mounted audio controls.
