Capped Prices effective from 1st July 2014 to 1st July 2015.

Actual prices may vary from Dealer to Dealer, but rest assured, you will not pay more than the Capped Price applicable at the time of your Scheduled Service. Contact your local Nissan Dealer for a service quote. Capped Prices are subject to change. Visit [nissan.com.au/cpstcs](http://nissan.com.au/cpstcs) for full terms and conditions.

[nissan.com.au](http://nissan.com.au)

\*Applies to each of the first 12 x 10,000km Scheduled Service intervals for up to 6 years (from Manufacturer's Warranty start date) or the first 120,000kms (whichever occurs first) where vehicle is used in normal driving conditions. Applies to Normal Maintenance Services (only). Excludes maintenance for Severe Driving Conditions, Unscheduled Maintenance, General Maintenance and replacement of wear and tear items. Some exclusions apply. Your Nissan Service Advisor will be able to assist in determining your individual service requirements. Contact your Nissan Dealer or visit [nissan.com.au/cpstcs](http://nissan.com.au/cpstcs) for full terms and conditions.

## CAPPED PRICE SERVICE

### Peace of mind with Capped Price Service.

At Nissan we're committed to providing peace of mind for all our current owners and our future customers. One of the ways we do this is with transparent service pricing thanks to the Capped Price Service program. This means that you'll know the maximum you'll pay for each Scheduled Service for a set number of years/kilometres. Please refer to your Owner's Handbook to discover exactly what items are covered by your Scheduled Service.

### Why do service costs change from service to service?

Each Scheduled Service is different, but all are equally important to make sure your Nissan keeps running smoothly and reliably. For some Scheduled Services, additional parts have to be replaced and a longer period of time is spent by technicians to complete the service. This means that the Capped Price of your Scheduled Service may vary from one service to the next. Your Service Advisor will explain which services will be more expensive and why, but each of these Scheduled Services will come with the assurance of a Capped Price.

### Not all services are the same.

Everyone drives their Nissan differently – from stop-start driving in city traffic, to driving off-road through the bush. Therefore, service requirements may vary from driver to driver and vehicle to vehicle. If any additional work is required (over and above the Capped Price Scheduled Service) your Service Advisor will seek your approval prior to performing such additional work.

### When do I need to service my Nissan?

It's not only the distance you travel that determines when you need to have your Nissan serviced. In fact, cars that are used for regular short trips around town are more at risk of premature engine and battery wear. Other fluids in your car, such as brake and transmission fluids, can also deteriorate over time. So to keep your Nissan running smoothly and reliably, make sure you follow the recommended service intervals.

### Why service my Nissan at Nissan?

When you have your vehicle serviced at a Nissan Dealership, you can rest assured that your car is in the safest of hands.

- Nissan technicians are **factory-trained experts**.
- They use the very latest **Nissan diagnostic equipment** specifically designed to suit your car and are backed by the Nissan global comprehensive technical support team.
- Nissan Dealerships use only **Genuine Nissan Parts** which come with a 12-month/20,000km<sup>^</sup> warranty and are designed, tested and manufactured to Nissan exacting standards, so you can be sure your Nissan remains 100% genuine.
- A verified **Nissan Service History** will also help maximise your vehicle's resale value.

<sup>^</sup>The Genuine Parts warranty covers a period of 12 months or 20,000km from the time the part was first fitted to the vehicle in a Nissan authorised workshop, whichever occurs first, or the balance of the Nissan New Vehicle Warranty, whichever is longer. Batteries are covered for a period of 12 months (unlimited kilometres) whether sold over the parts courier or fitted in a Nissan authorised workshop. This warranty does not limit and may not necessarily exceed your rights under the Competition and Consumer Act 2010.
