AUSTRALIA'S ONLY  
**10 YEAR**  
300,000KM WARRANTY  
WHEN SERVICING WITH NISSAN\*

INTRODUCTION

# THE ALL-NEW NISSAN NAVARA

## TESTED. TUNED. IN AUSTRALIA, FOR AUSTRALIA.

Place your faith in the Aussie-tuned suspension, engineered by Premcar<sup>o</sup> with the aim of delivering uncompromising performance, from the outback to the open road. With 3,500kg maximum braked towing capacity<sup>†</sup> across the range and the Nissan Super 4WD system<sup>‡</sup>, there's few roads around our great country that this fifth generation Navara can't conquer.

## AUTHENTIC NISSAN DNA, REIMAGINED

40 years of heritage collides with contemporary design cues, with the all-new Navara delivering a confident, sophisticated modern aesthetic led by the flagship PRO-4X grade that showcases a distinctive off-road styling theme with 'lava red' accents and functional upgrades. Plus, a suite of Nissan Genuine Accessories means you can really make it yours.

## EQUIPPED FOR ADVENTURE

With a five-star ANCAP safety rating (tested 2024) and Intelligent Around View<sup>®</sup> Monitor with Moving Object Detection, no stone has been left unturned when it comes to your safety on the road ahead.

\* Up to 10 years or 300,000km (whichever occurs first), when servicing at authorised Nissan dealers.

Full terms at [Nissan.com.au/warranty](https://www.nissan.com.au/warranty).

- Available on ST-X 4x4 & PRO-4X variants only.

‡ Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

<sup>o</sup> Available locally tuned suspension - Suspension developed & quality assured for the Australian market by Premcar Pty. Ltd.

HERITAGE

# A BOLD NEW CHAPTER FOR NISSAN NAVARA STARTS HERE

Nissan has a long and rich pickup history, producing its first in 1935 with the Datsun 14 Truck. In 2026, the Navara marks four decades of the nameplate in Australia and almost half a million units delivered across Oceania throughout that time\*.

The Navara nameplate has laid its foundations in Australia as more than just a ute. Today, the Navara is a symbol of hard work, resilience, and iconic Aussie grit. The fifth generation Navara is no different - purpose-built for Australia's toughest jobs and most unforgiving terrains, designed to carry forward a legacy of strength you know you can count on.

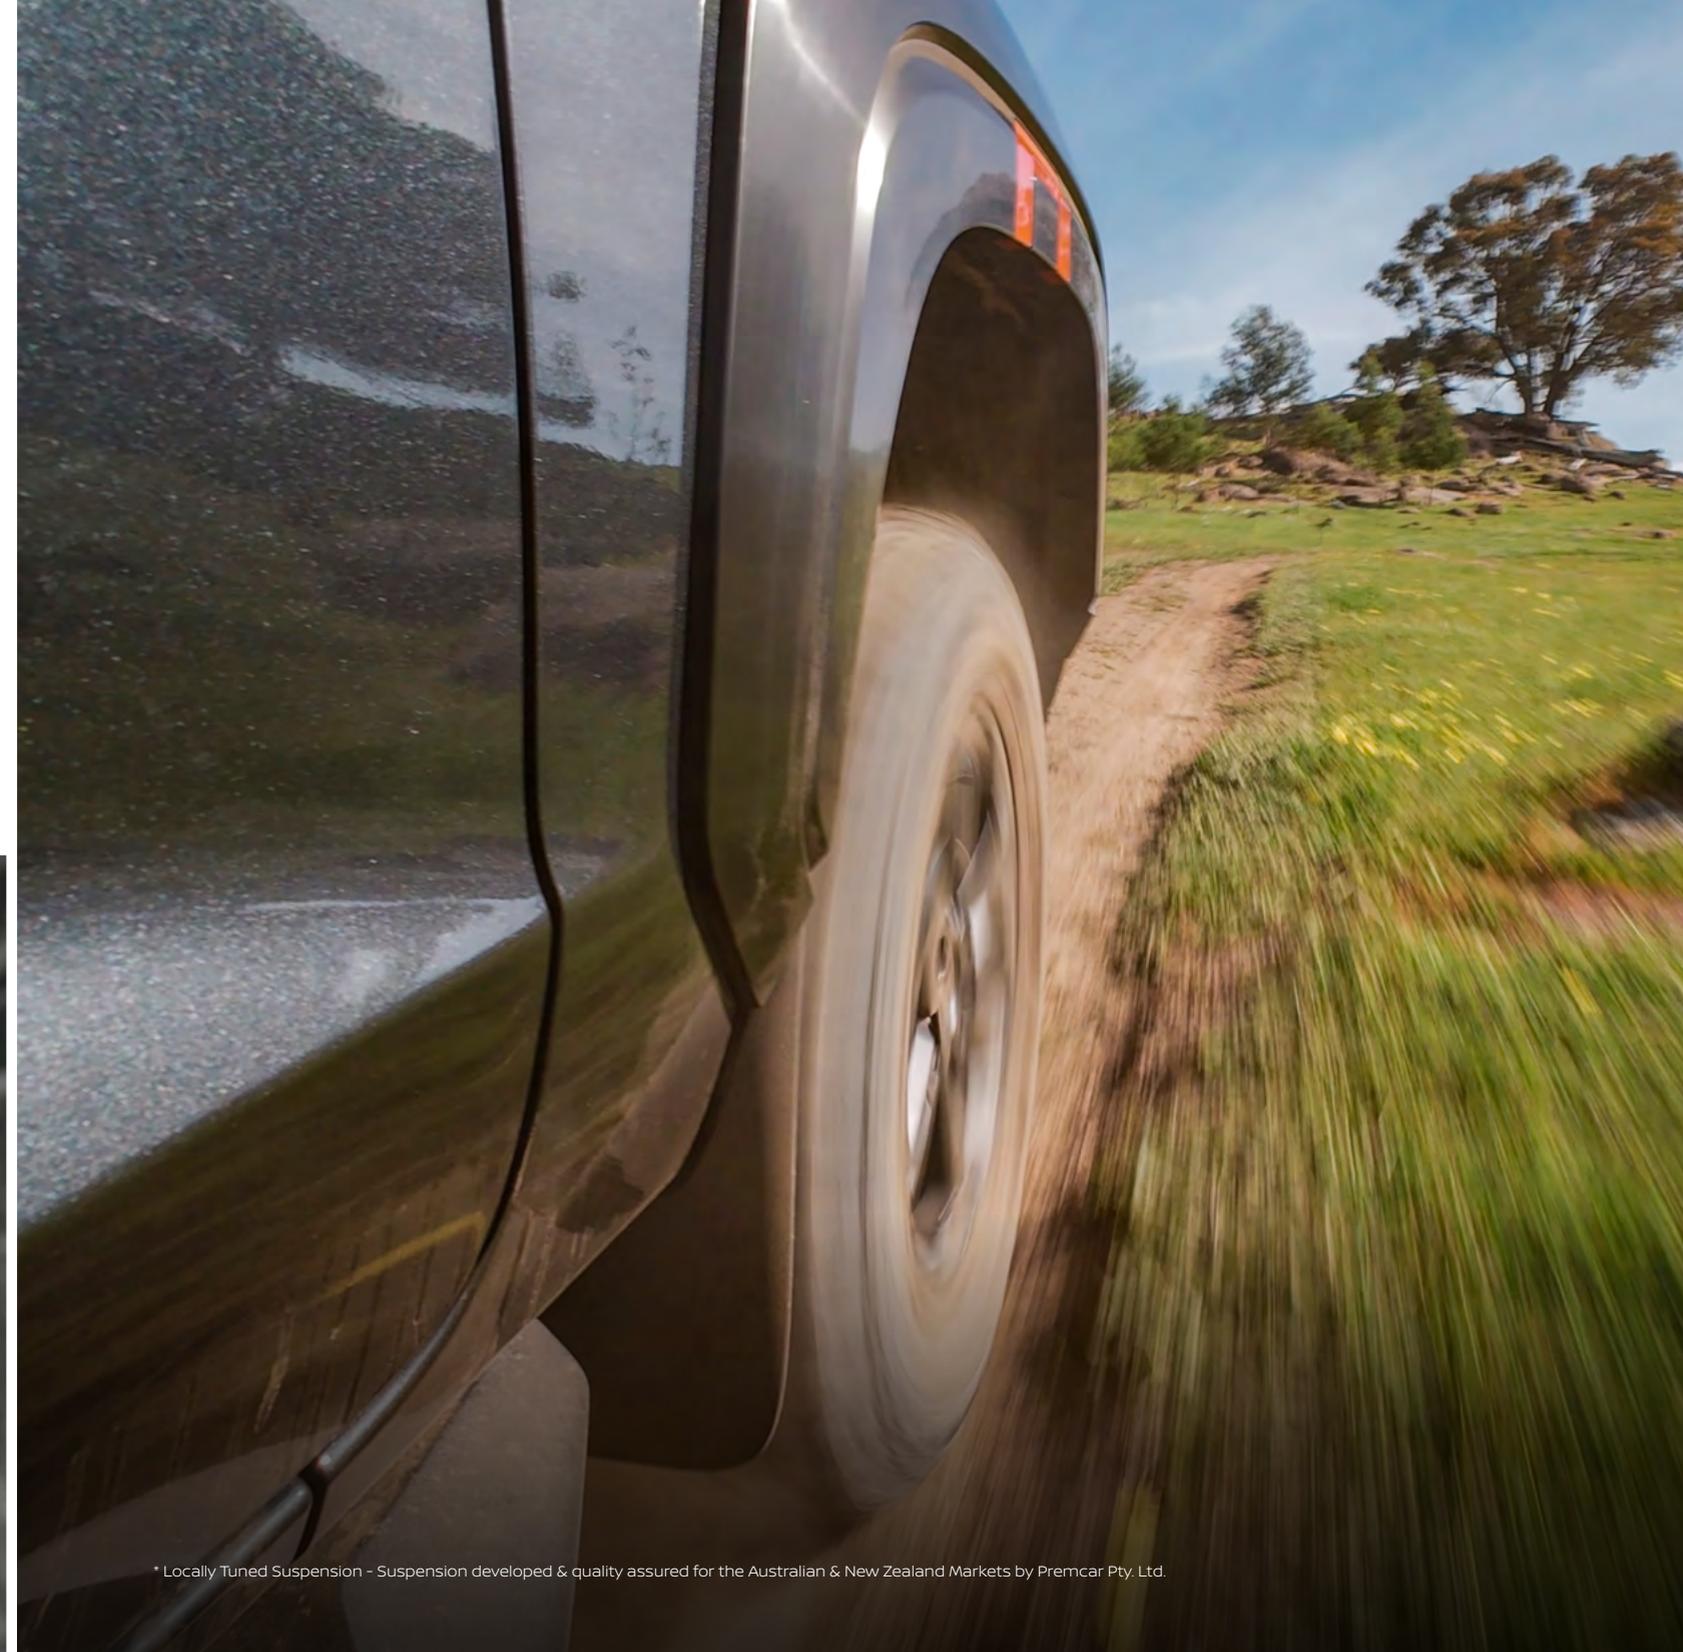

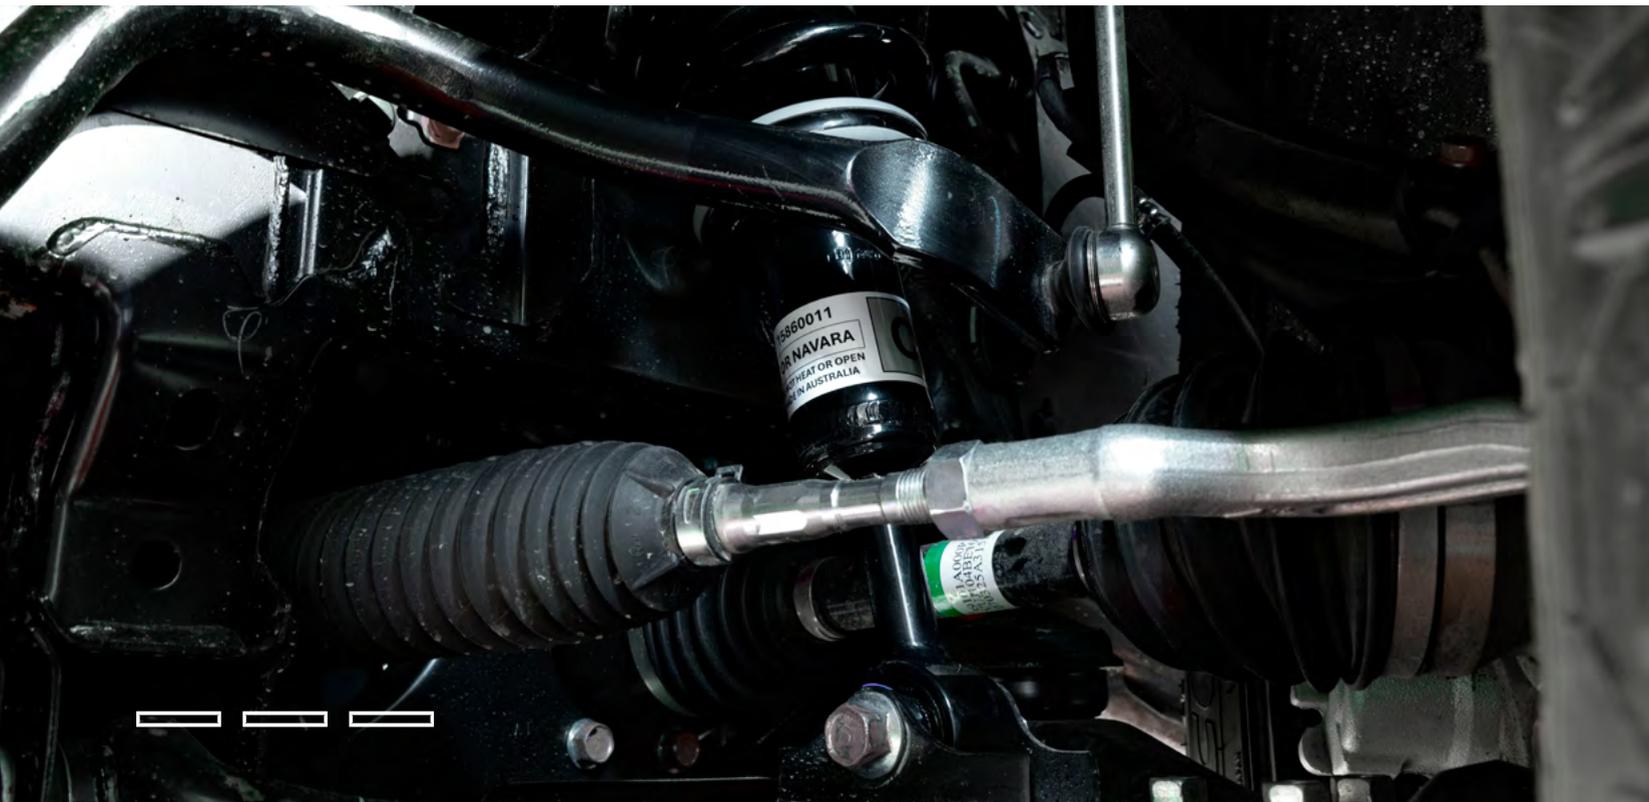

R I D E & H A N D L I N G

# T E S T E D . T U N E D . T O U G H .

There aren't many roads the all-new Navara won't go down. Using the expertise of Premcar - renowned for their engineering excellence with the Navara Warrior program - they have engineered Navara's ride and response\* in Australia, for Australia. The Premcar suspension tune is available with the goal of a compliant and comfortable ride, both unladen and fully loaded so it's fit for every stretch of corrugated backroad or hot-mix highway, every dune, mountain, boulder or bush track that Australia has to offer.

The all-new Navara builds on a legacy of bulletproof ladder-frame chassis, offering a strong, durable steel backbone with large cross section chassis rails for exceptional torsional rigidity, ideal for hauling and towing, on-road or off. SL, ST & PRO-4X 4x4 variants are fitted with all-terrain tyres as standard, so the ladder frame foundation is complemented by the necessary grip, control and confidence the moment you leave the bitumen behind.

New for Navara is electric power steering (EPS). This EPS system not only aids fuel economy by reducing parasitic losses, but also aids driving dynamics and manoeuvrability - allowing precise navigation in a tight squeeze.

\* Locally Tuned Suspension - Suspension developed & quality assured for the Australian & New Zealand Markets by Premcar Pty. Ltd.

OFF-ROAD CAPABILITY

BUILT FOR THE BUSH.  
BUT YOU ALREADY  
KNEW THAT.

Stuck between a rock and a hard place? With the all-new Navara, it doesn't matter. It'll get you over either – or both.

#### **EASY 4WD**

A dual range four-wheel-drive transfer case offered on SL & ST 4x4 variants aims to balance performance with fuel efficiency. It's able to be switched from highway cruising two-wheel-drive to part-time four-wheel-drive when extra traction is needed off-road. An electronic rear differential lock forms part of Easy 4WD's capability to provide additional traction in demanding off-road scenarios.

#### **SUPER 4WD**

Standard on ST-X 4x4 & PRO-4X variants, Super 4WD takes all the benefits of Easy 4WD and dials it up with a full-time, high-range four-wheel-drive mode selectable up to speeds of 100 km/h and Hill Descent Control. A Torsen® Limited Slip Differential (LSD) further optimises torque distribution, achieving superior balance and stability, particularly when cornering on slippery or uneven surfaces.

#### **SEVEN DRIVE AND TERRAIN MODES**

Paired with Super 4WD, driving performance and stability is enhanced with the selection of Rock, Sand, Mud, Gravel, Snow, Normal & Eco modes. Each mode has been tuned to optimise engine, transmission, steering and braking characteristics according to the road surface conditions.

T O W I N G

# H A U L W I T H O U T H E S I T A T I O N

Take what you want, where you need it without a second thought. All variants in the all-new Navara range offer a benchmark 3,500kg maximum braked towing capacity\*.

For peace of mind when towing, the all-new Navara offers Trailer Sway Control – controlling brake force and engine power in order to stabilise motion detected by a swaying trailer. It also comes with a full size spare wheel & tyre across the range so you can tow a load with a full kit and no worries. The Navara flagship PRO-4X also comes standard with a Nissan Genuine towbar-.

\* Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.  
- Towbar package includes towbar, tongue, hitch box cap and insert, J pin, R clip and Trailer tow harness. Tow ball, Safety Chain, D Shackle not included.

## PAYLOAD

# NOTHING WORKS HARDER THAN A NAVARA

### SERIOUS PAYLOAD CAPACITY

With a one tonne payload across select variants\*, Navara is engineered to handle massive loads. Whether it's heavy tools, equipment or a bespoke canopy and camping gear, you have the robust capacity to carry what you need without compromise.

### PICKUP PROTECTION

ST-X and PRO-4X variants come standard with a durable tubliner for the pickup bed. This feature protects the tub floor and sides from dents, scratches and spills to assist in preserving your resale value.

### EASE OF ACCESS

Loading and unloading just got easier. The tailgate assist system on pickup variants uses a clever dampening mechanism to lighten the effective weight of the tailgate, allowing for simple, controlled opening and closing with just one hand.

\* Payload capacity is variant specific. Check technical specifications for full details. Payload is the GVM minus the Kerb mass. The kerb mass does not include passengers, luggage, cargo, any accessories fitted or any towball download (as appropriate). Payload is distributed across both the front and rear axles, never exceed the GVM or the axle limits. Payload figure is calculated prior to fitment of any tray or body to the vehicle.

PERFORMANCE

AIM HIGH. GO HIGHER.

**MUSCLE WHEN IT MATTERS** Feel the surge of a 2.4-litre four cylinder intercooled bi-turbo diesel engine delivering 150 kW and a commanding 470 Nm of torque. This twin stage bi-turbo setup delivers maximum pulling power right where you need it, perfect for heavy loads or steep terrain.

**SEAMLESS CONTROL** The wide-ratio six speed automatic transmission ensures smooth yet rapid gear changes for optimal performance and comfort. Need total control? Engage the manual shift mode to command the gears yourself when tackling demanding off-road tracks or heavy towing.

**INTELLIGENT EFFICIENCY** Power doesn't come at the expense of economy. Enjoy impressive 4x4 diesel fuel economy with a Combined Cycle fuel consumption of 7.7 Litres/100km\*, meaning fewer stops and longer adventures.

\* Figures tested in accordance with ADR81/02 (Combined Test, Urban, Extra Urban). Figures stated for the purposes of comparison amongst vehicles only and may not reflect real world driving results. Actual fuel consumption and CO2 emissions depends on factors such as traffic conditions, vehicle condition, how you drive and any accessories fitted.

S A F E T Y

# S A F E T Y F I R S T . S E C O N D T O N O N E .

Just because you don't see it, doesn't mean it's not there. A rock hidden in the scrub, a post tucked behind the tub, or a mate walking past with gear on a worksite. Even out on the tracks, something can appear the moment you least expect it.

But you can relax – because like your best co-driver, Navara has your back. With a five-star ANCAP safety rating (tested 2024), you can be sure your safety has been tested to the highest standards, complimented by a full suite of advanced active safety features\*, including:

- Intelligent front and rear emergency braking
- Front and rear cross traffic alert
- Blind spot warning
- Lane departure warning and intervention
- Traffic sign recognition
- Tyre pressure monitoring
- Emergency assist for pedal misapplication
- Front and rear parking sensors

Add the Intelligent Around View® Monitor with Moving Object Detection\*, and Navara becomes your built-in lookout, spotting the things you can't. Backing it all up is a tough protective core, reinforced by eight airbags: Driver side, passenger side, two front row seat side, two curtain side, a drivers knee and a centre front airbag.

\* All features listed are a drivers aid only and should not be used as a substitute for safe driving practices. Always monitor your surroundings when driving.

D E S I G N

# GO ANYWHERE DNA

The all-new Navara's exterior design leans on Nissan's rich ute heritage, inspired by previous generations whilst pushing into a new, more advanced territory.

- The three-slot design atop the grille pays tribute to the D21 Navara.
- Navara's tapered V-Motion grille delivers a powerful presence with an Aussie-influenced bullbar design that extends from top to bottom. The grille pattern and mesh density doesn't just look good, it supports ample engine cooling.
- C-shaped headlamps interlock seamlessly with the grille – pairing the Navara with modern Nissan SUV's – in particular the off-road icon, Patrol.

## P R O - 4 X

The flagship PRO-4X variant showcases unique styling cues befitting the range-topping Navara. Distinctive black exterior design elements contrast with 'lava red' accents that position this as the premium off-road offering. A unique black sports bar, black 17-inch alloy wheels with all-terrain tyres and Nissan Genuine towbar\* complete the purposeful design.

\* Towbar package includes towbar, tongue, hitch box cap and insert, J pin, R clip and Trailer tow harness. Tow ball, Safety Chain, D Shackle not included.

TECHNOLOGY

# HERITAGE, EVOLVED. TECH, ADVANCED.

An old dog can always learn new tricks, especially if it's a ute with a legendary 40-year history. And the all-new Navara offers the tech to take you from the work site to the weekend and beyond.

Across the range, the heart of the cabin is a 9.0" touchscreen display with embedded satellite navigation – because the best trips are always beyond telco service. Device mirroring is offered in the form of wireless Apple CarPlay<sup>®</sup> and wired Android Auto<sup>™</sup>. Charge compatible devices with wireless smartphone charging\*, conveniently located within the lower instrument panel.

Navara's 7.0" Advanced Drive-Assist instrument cluster display is a high-resolution TFT screen that provides customisable driver information, including alerts, navigation prompts and safety-system status. It's designed to keep essential data front and centre without distracting you from the road, interfaced through steering wheel mounted controls.

<sup>^</sup> CarPlay is a registered trademark of Apple Inc. Android Auto is a trademark of Google LLC. Compatible device required. Wired connections require a USB connection.  
<sup>\*</sup> ST-X & PRO-4X variants only. Compatible device required.

## C A B I N

# INTERIOR COMFORT & CONVENIENCE

After countless kilometres on the open road or a long day on site, the Navara interior is where you'll make yourself at home. The cabin is engineered for real comfort, with heated front seats<sup>></sup> for the early morning grit shift and dual-zone automatic climate control<sup>^</sup> with second-row air vents for comfort on the family road trips.

Convenience is at hand with Intelligent Key with remote keyless entry<sup>></sup> and push-button start<sup>></sup>, while standard High Beam Assist and an automatic-dimming frameless rearview mirror<sup>^</sup> help take the effort out of night time driving, keeping you focused on the road ahead.

On workhorse SL variants, enjoy easy-clean vinyl flooring, ideal for protecting your cabin after a day on site. Meanwhile, the ST-X and PRO-4X variants feature leather-accented seat trim\* with distinctive embroidery and an eight-way power adjustable driver seat with 2-way power lumbar for comfort, style and practicality.

\* Leather-accented features and upholstery may contain synthetic material. Minor trim variations may occur from time to time.  
> ST-X & PRO-4X variants only.  
^ ST, ST-X & PRO-4X variants only

## ACCESSORIES

# BE ADVENTURE AND WORK READY

The all-new Navara is supported by an extensive range of Nissan Genuine Accessories, each designed and developed to ensure perfect integration and quality. From heavy-duty protection solutions to cargo management systems to lifestyle enhancements and off-road equipment, these accessories allow customers to tailor their Navara to their specific needs, while maintaining full warranty coverage and optimal performance.

## WHY CHOOSE GENUINE?

### SAFETY

Your safety is our priority. That's why we put Nissan Genuine Accessories through thousands of hours of testing.

### PERFECT FIT

Crafted to fit your Nissan perfectly, Nissan Genuine Accessories ensure optimum performance.

### RELIABILITY

Nissan Genuine Accessories are made for reliability and are covered by the Nissan New Vehicle Warranty\*.

### FUTURE PROOF

Nissan Genuine Accessories keep your vehicle complete and help maintain its resale value.

To view the full range of Nissan Genuine Accessories visit: [Nissan.com.au/vehicles/browse-range/navara/accessories](https://www.nissan.com.au/vehicles/browse-range/navara/accessories)

# When Nissan Genuine Accessories are purchased and fitted at the time of new vehicle purchase, by an Authorised Nissan Dealer, they are covered by Nissan's up to 10 year / 300,000 kilometre warranty (whichever occurs first). If purchased after delivery of the vehicle and fitted by an Authorised Nissan Dealer, Nissan Genuine Accessories will be covered by the greater of: (i) Nissan's 1 year / 20,000 kilometre warranty (whichever occurs first) or (ii) the remainder of Nissan's up to 10 year / 300,000 kilometre new vehicle warranty † (whichever occurs first). Accessories purchased over the counter are covered from sale date by Nissan's 1 year / 20,000km warranty (whichever occurs first).

† Whichever occurs first, when servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added so 10 year/300,000km warranty (whichever occurs first) may not apply. Warranty protection will remain 5 year/unlimited km warranty, plus any additional service activated years added under the Plan. Conditions apply. Full terms at [Nissan.com.au/warranty](https://www.nissan.com.au/warranty).

Note: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

## MY NISSAN OWNERSHIP

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

### 10 YEAR

300,000 KILOMETRE WARRANTY  
WHEN SERVICING WITH NISSAN<sup>†</sup>

Receive assurance with up to 10 year / 300,000 kilometre warranty (whichever occurs first)<sup>^</sup>.

### 10 YEAR

24/7 ROADSIDE ASSISTANCE WHEN  
SERVICING WITH NISSAN<sup>†</sup>

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge<sup>†</sup>.

### 5 YEAR

NISSAN FLAT PRICE SERVICE\*

All Nissan vehicles first registered from 1 January 2025 are eligible for Nissan Flat Price Service. As part of this servicing program, we've set one flat price you'll pay for every service for the first five services according to your vehicle's service schedule\*.

### FINANCIAL SERVICES

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

### NISSAN GENUINE ACCESSORIES

Your Nissan Dealer can show you a variety of Nissan Genuine Accessories to protect, enhance and personalise your Nissan.

### OPTIONAL PRE-PAID MAINTENANCE PLANS

Our optional Pre-paid Maintenance Plan takes the hassle out of budgeting for scheduled service costs over time, instead offering you the convenience of a one-off payment when you purchase your new Nissan vehicle.

### FACTORY-TRAINED TECHNICIANS

Using dedicated diagnostic equipment and Nissan Genuine Parts, they'll keep your vehicle in top condition.

For more information please visit [Nissan.com.au/owners](https://www.nissan.com.au/owners), ask your Nissan Dealer or phone 1800 035 035 during normal AEST business hours.

<sup>^</sup> Whichever occurs first, when servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added so 10 year/300,000km warranty (whichever occurs first) may not apply. Warranty protection will remain 5 year/unlimited km warranty, plus any additional service activated years previously added. Conditions apply. Full terms at [Nissan.com.au/warranty](https://www.nissan.com.au/warranty).

NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

<sup>†</sup> When servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added, so 10 year/300,000km roadside assist (whichever occurs first) may not apply. Roadside assist duration will remain as 1 year/unlimited kilometre roadside assist, plus any service activated years previously added. Conditions apply. Full terms at [Nissan.com.au/roadsideassistance](https://www.nissan.com.au/roadsideassistance).

\* Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies for the first 5 services or 5 years, whichever occurs first. Some exclusions apply. Ask your Nissan Dealer or view full terms at [Nissan.com.au/service](https://www.nissan.com.au/service).
