The cost of this work is not covered by the Service Plan. If you provide authorisation, the Dealership may then take all reasonable measures to do the work without delay and to minimise any damage to the Vehicle. You are responsible for the costs of the additional work that is not covered by the Service Plan.

2. YOUR OBLIGATIONS

- 2.1. You must deliver the Vehicle to a Dealership at the time or kilometre intervals, whichever occurs first, as required under the Owner's Handbook, for the relevant Scheduled Service.
- 2.2. Any required Scheduled Service must be completed within 3 months or 3,000 kilometres of the service interval as required under the Owner's Handbook.
- 2.3. For a Scheduled Service you must make the Vehicle available at a Dealership by prior appointment in a reasonably clean condition.
- 2.4. You must carry out all instructions for use of the Vehicle contained in the Owner's Handbook accurately and fully.
- 2.5. If you do not have any Scheduled Service done as required by the Service Plan, the Scheduled Service will be deemed to have been completed for the purposes of the Service Plan, unless agreed in writing by Nissan.

3. PAYMENT

- 3.1. If you have agreed to purchase the Service Plan you must pay (or arrange for your financier to pay) the Dealership for the Service Plan when you purchase the Vehicle.
- 3.2. The cost of each separate scheduled service within the Service Plan are listed at www.nissan.com.au/owners/servicing for the Vehicle and the total cost of the Service Plan is set out in the Service Plan Details Letter.
- 3.3. Nissan or a related entity may pay someone a commission for the sale of the Service Plan to you. The commission may be paid, for example, to the Dealership where you bought the Service Plan.

4. ENDING AND TRANSFERRING THE SERVICE PLAN

- 4.1. The Service Plan ends when all the Scheduled Services included in the Service Plan have been completed (or deemed to have been completed), unless it ends earlier under these terms and conditions.
- 4.2. If you paid for the Service Plan with a loan provided for the purchase of the Vehicle, and the Vehicle is repossessed by the credit provider or you surrender the Vehicle to the credit provider (for whatever reason), and the Service Plan has not already ended, it will terminate when the Vehicle is repossessed or surrendered, and you authorise Nissan to pay directly to the credit provider upon request by the credit provider any refund for any Scheduled Services which have not been completed (or deemed to have been completed).
- 4.3. If the Vehicle is written off by the insurer of the Vehicle, the Service Plan will end when you notify Nissan that it has been written off, and Nissan will refund you any proportionate rebate or refund for any Scheduled Services which have not been completed (or deemed to have been completed).
- 4.4. If you transfer ownership of the Vehicle to another person when the Service Plan has not ended, you may either transfer your rights under the Service Plan to the new owner of the Vehicle or end the Service Plan.
- 4.5. To transfer the Service Plan to the new owner you must give us a notice in writing within 30 days of the change of ownership. The notice must be substantially in the form of the Notice to Transfer or Terminate Service Plan attached to these terms and conditions, with the required details included. If the Service Plan is transferred, Nissan will provide the benefits remaining on the Service Plan to the new owner, subject to the terms and conditions of the Service Plan and as long as the new owner complies with your obligations under the Service Plan after the transfer. The new owner cannot transfer the Service Plan to another new owner.
- 4.6. To end the Service Plan when you transfer ownership of the Vehicle to another person, you must give Nissan notice in writing. Please use the Notice to Transfer or Terminate Service Plan attached to these terms and conditions to assist in the processing of your request. Nissan will refund you any proportionate rebate or refund for any Scheduled Services which have not been completed (or deemed to have been completed) . You cannot end the Service Plan if you have given Nissan notice to transfer the Service Plan to the new owner of the Vehicle.
- 4.7. If you have financed the purchase of the Service Plan with a loan that is regulated by the National Credit Code and arranged through a Dealership, and the credit contract for the loan

ends before the end of the Term, you have the right under the National Credit Code to terminate this Service Plan and receive a proportionate rebate of the amount you have paid under the Service Plan. To do this you must give notice in writing to Nissan. Please use the Notice to Transfer or Terminate Service Plan attached to these terms and conditions to assist in the processing of your request. The amount of the rebate is calculated in accordance with regulations. If you have given us notice to transfer the Service Plan you acknowledge that you have chosen not to use your right to terminate the Service Plan.

- 4.8. Nissan's services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service, you are entitled to cancel the Service Plan and to a refund for the unused portion, or to compensation for its reduced value. You are also entitled to be compensated for any other reasonably foreseeable loss or damage. If the failure does not amount to a major failure, you are entitled to have problems with the service rectified in a reasonable time and, if this is not done, to cancel the Service Plan and obtain a refund for the unused portion of the Service Plan.

5. PRIVACY

- 5.1. Nissan may collect personal information about you for the purposes of providing services to you under the Service Plan and administration of the Service Plan, and for other purposes you agree to or which are required or authorised by law. Nissan may disclose your personal information to its related companies, which may be located overseas.
- 5.2. Nissan's privacy policy is available at <https://www.nissan.com.au/privacy> and sets out how Nissan collects, uses and discloses your personal information, how you may access and correct your personal information, and Nissan's process for dealing with privacy complaints.

6. OTHER TERMS

- 6.1. Nissan and any Dealership will be excused from the performance of their obligations under the Service Plan if Nissan or the Dealership is prevented from doing this due to circumstances beyond their reasonable control. If this situation continues for more than 30 days, you can cancel the Service Plan by giving notice to Nissan and get a refund of the unused portion of the Service Plan.
- 6.2. The benefits under the Service Plan are in addition to any rights or remedies you may have under law, including the Australian Consumer Law.
- 6.3. If Nissan receives an advantage from any term in these terms and conditions, Nissan may only exercise its rights under that term to the extent reasonably necessary to protect its legitimate interests, unless the term would not cause detriment to you if Nissan applied the term or relied on the term.
